SERVING AT DIOSPI SUYANA HOSPITAL IN CURAHUASI, PERU

ISSUE THREE

The hospital chaplain presents the gospel each day in Quechua and Spanish.

A Letter From Dr. Klaus John

As we have looked for a supporting church, we have had several questions about how Diospi Suyana trains nationals and some numerical estimates about the number of people reached with the gospel of our

Lord. In response to these queries, Dr. John wrote the following email. We thought our friends and supporters might enjoy reading this information.

“Dear Will,

We train nurses and a few national residents. We help 400 children every week to come closer to Christ. And in fact the existence of the mission hospital is to thousands of Peruvians proof that God loves them. Over the past 4 ½ years we have celebrated 1,200 church services. Every day at least a 100 new people enter the hospital for the first time. That means that so far 120,000 different people have been exposed to the gospel at our hospital during the first 4 ½ years only.

In June we will be starting the school project. The school

*“Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.”
Matthew 25:40*

could touch thousands of lives with the good news of Christ as well.

Klaus John, MD”

Kids' Viewpoint

David

I have been able to go on vacation to California, Disneyland, Legoland, and the beach this summer. It was a lot of fun. This summer I also went to Six Flags and rode the Texas Giant, the Titan, the Judge Roy Scream, and the Shock Wave. I really like roller coasters!

Peter

I got a hair cut like TinTin at the beginning of summer. Then we changed it to a Mohawk. I did not think it

looked good. So now I change its style every night. I have a "magic comb" to make the changes.

Annie

I got to go to Disneyland. At Disneyland I got a new necklace that had

Mickey Mouse on it. I also got a big, big lollipop. I had a good time with my cousins, and we did lots of rides together.

Sarah

I am glad that I got to be with my cousins. I miss my cousins so much. I also miss Disneyland. I miss Mickey. He is just so nice. I cannot wait to see them again.

Prayer Requests

1. **Please pray we will be faithful to God in all things.**
2. **We are planning a very large garage sale for August in hope of selling most of our possessions. We also plan on selling both our cars. Please pray that God will bring people to our attention who would benefit from getting some really good furniture cheap, and that we will be able to divest ourselves of most of our possessions.**
3. **Please pray that we will be able to get all of our Visas for Costa Rica without any unforeseen complications or expenses.**
4. **Please pray for our kids that they will they will look at this transition as a God-directed adventure and that they will look forward with hope to our move to Costa Rica and Peru.**
5. **Please pray that we will honor God boldly in all that we do.**
6. **Will continues to work. Please pray that he will balance his work responsibilities with the work that need to be done for leaving.**
7. **Praise and thanks to God for all the people who are supporting us, cheering us on, praying for us. We could not go without you.**
